Marth José Fambo aka Fofana Jo is a newcomer artist based in Mannheim (Germany). With the release of his first single "Coefficient Deux" in December 2021, he is now dedicating himself to his solo career, after having already success as a keyboarder, percussionist and background singer/rapper. Born and raised in Benin (West Africa), Fofana Jo's music fuses afrobeats and hip-hop with African rhythms and sounds, addressing people from all over the world. His music bridges the gap between Africa sounds, pop and hip-hop with catchy tunes and sweet melodies. His lyrics are mostly about everyday life, hope and relationships between human beings from different perspectives. He is now performing live concerts with his band to promote his unreleased album.
